Problem Statement

The Urban Pet Dilemma

India's Pet Population

35 Million+

Pet dogs & cats in India (2024)

12% CAGR

Indoor Confinement

12 – 16 Hours

Daily indoor time for urban pets

⚠ Leading to boredom, obesity, anxiety

Urban Pet Parents Struggle With:

Busy Dual-Income Lifestyles
Limited time for pet engagement and exercise

Small Metro Apartments
Insufficient space and lack of play areas

Rising Pet Care Costs
Expensive daycares, boarding, and enrichment services

Urban pets are severely underserved in mental stimulation and enrichment
